MERRIMACK VALLEY YMCA

# LEARN ABOUT THE PROMISE TO OUR COMMUNITY

#### What is YMCA financial assistance?

The Merrimack Valley YMCA believes in providing membership and program services to all who desire to participate. The YMCA's financial assistance program, supported in part by the annual Support Campaign, uses all available resources to provide support to those who have financial need and qualify for assistance.

## Who is eligible for YMCA financial assistance?

Anyone may apply for financial assistance. Approval of the application is made on an individual basis. The YMCA uses a sliding-fee scale based on total household income and number of dependents. The scale assists the staff of each branch in determining the amount of scholarship awarded and its applicable time frame.

#### Is it possible to join the YMCA for free?

The YMCA believes a strong sense of ownership and pride is developed when the financial assistance recipient contributes to the cost of their YMCA involvement. Therefore, applicants will be asked to pay a portion of the fee for the requested service.

## How can I give back to the YMCA?

You can give back to the YMCA in many ways. Each YMCA has volunteer opportunities available from coaching a youth team to working on the annual Support Campaign. Check with your Executive Director to find out how you can help!

# How will the financial assistance amount be determined, and how quickly can I expect to receive financial assistance?

Scholarships are determined on an individual basis using a sliding-fee scale guideline to assist in designating the amount of assistance. Once the financial assistance application and required documents have been submitted to the designated staff member, the YMCA will contact you within two weeks to share the outcome of your application.

## How long will the financial assistance

Need for financial assistance is assessed at the time of request and reviewed on a regular basis.

## Who will be reviewing my application?

The executive director and his or her designee are the only people who will review your application. All information is handled confidentially.

## May I do anything in return for this assistance?

Yes! At the YMCA, youth and adults are encouraged to volunteer. Also, YMCA donors appreciate learning how their contributions are used. Submitting a short note about how you or your family benefited from the financial assistance is appreciated.

# Is financial assistance available at all Merrimack Valley YMCA branches?

Financial assistance is available at every branch of the Merrimack Valley YMCA. Because scholarships are branch specific, financial assistance is not transferable from one branch to another. Financial assistance must be requested from the branch at which you wish to participate as a member or program participant.
