

# 2020 PADDLE YOUR SHAWSHEEN

Free canoe and kayak storage on the Shawsheen River

*April through October 2020*

**Andover Recreation and Conservation Departments are partnering with Andover Trails to make it easy for you to enjoy paddling on the Shawsheen River - one of Andover's close-to-home outdoor treasures.**

This year the boat storage program is again free of charge.

## **FREE BOAT STORAGE:**

To make it easier to enjoy the Shawsheen, racks to store boats are located by the river, saving the need to transport your canoe or kayak for each trip. To start the season, the racks are located at Shawsheen Pines on Lowell Junction Road, at the Abbot Bridge Drive canoe launch site, and at the end of Dale Street in Ballardvale. You need to sign-up in advance to use the racks and must provide your own lock and cables. All those that sign-up receive a numbered sticker, as well as an information packet about paddling the Shawsheen. Space on the racks is limited and on a first come first serve basis.

## **BOAT STORAGE APPLICATION FORM:**

Fill-out and return this form to reserve a rack spot. Space is limited.

***Make this the year that you and your family experience flat water paddling close-to-home and explore one of Andover's great natural resources.***
